## CAREER OBJECTIVE

Aspiring to build a successful career in IT infrastructure and system administration by leveraging my knowledge in Windows Server, Networking, Linux, and Virtualization technologies. Dedicated to continuous learning and contributing to organizational growth with a problem-solving mindset and a passion for emerging technologies.

## WORK EXPERIENCE

### Engineer Trainee | Mar 2025 – Present

Currently undergoing on training of MultiCloud Windows Server 2022 Administration, Networking Essentials, Virtualization, Linux Fundamentals, Generative AI Fundamentals, PowerShell & Python (Basics), Database Fundamentals, Storage & Backup, Middleware Technologies, Monitoring Tools, ITIL Framework.

## ACADEMIC QUALIFICATION

- **RMK College of Engineering and Technology, Chennai**  
BE, Computer Science | Aug 2020 – 2024 | CGPA – 8.25
- **Narayana Junior College, Nellore**  
Class 11<sup>TH</sup> & 12<sup>TH</sup> MPC | 2018 – 2020 | CGPA – 9.19
- **Rathnam High School, Nellore**  
Class 10<sup>TH</sup>, MPC | 2018 | CGPA – 8.3

## PROFESSIONAL SKILLS

- Software skills known: Working knowledge in VMWare Workstation.
- Operating Systems: Windows Server, Linux (RHEL Basics)
- Virtualization: VMware Workstation, Hyper-V
- Scripting: PowerShell, Python (Basics)
- Networking: (TCP/IP, DNS, AD, DHCP Basics) & Monitoring Tools: SolarWinds
- Adapting to any environment or culture
- Ability of willingness to learn new things.

## PROJECT WORK

### COLOR PREDICTION - JAN 2023 [🔗](#)

- Developed using Python and OpenCV
- The program detects RGB values from an image and predicts the corresponding color name
- Useful for visual aids and design applications

### SKIN CANCER DETECTION - JAN 2024 [🔗](#)

- Built using Deep Learning techniques and image processing algorithms
- Designed to classify skin cancer levels using trained AI models
- Integrated Google Vision API for enhanced accuracy

## WORKSHOPS & CERTIFICATIONS

- Completed Google Associate Cloud Engineer (ACE) Certification from Google Cloud Skill Boost.
- Completed Windows Server 2002 from Udemy.

## PERSONAL DETAILS

- Languages known : English, Telugu, Tamil
- Domain Interests : Cloud and Software Development.
- Hobbies : Playing outdoor games, Travelling.
