SUMMARY

Enthusiastic Network Engineer with 6 months of experience supporting a global NOC environment. Experienced in network monitoring, basic troubleshooting and maintaining technical documentation. Strong problem-solving skills and ability to work in a team environment.

EDUCATION

RMK COLLEGE OF ENGINEERING AND TECHNOLOGY, CHENNAI	2020-2024
BE in Computer Science and Engineering	CGPA 8.25

EXPERIENCE

ENGINEER TRAINEE | COGNIZANT

MCDONALD'S NETWORK SERVICES

- Assisted in monitoring routers, switches, and WAN/LAN connections using LogicMonitor and LIVENX.
- Supported basic troubleshooting of network alerts and incidents under senior engineers.
- Helped prepare network performance reports and maintain logs/SOP documentation.
- Gained exposure to SD-WAN, VPN, routing concepts, and NOC workflows.

PROJECTS

COLOR PREDICTION

JAN 2023

- Using Python Modules OpenCV and Pandas.
- The Program would detect the RGB color from given image.
- The color combinations are arranged in a csv file.

SKIN CANCER DETECTION

JAN 2024

- Using Deep Learning Frameworks, CNN Algorithm and Image Processing.
- Developing a model to detect the level of cancer and it would classify about it.
- Used Google Vision to overcome non skin images and GenAI is Integrated to classify about the found cancer.

PPT AUTOMATION - COGNIZANT VIBE CODING

JUL 2025

- Developed during the Cognizant Vibe Coding event using GitHub Copilot.
- Built a Flask web app that automates PowerPoint report generation from Excel files with dynamic charts, tables, drag-and-drop upload, and real-time status tracking.
- Designed for Azure Linux deployment, with optional Windows-only advanced chart styling via pywin32.

SKILLS

Networking: VLAN, Subnetting, TCP/IP, DNS, DHCP, VPN, SD-WAN & Network Security Basics.

Tools: LogicMonitor, LIVENX, IPAM, Cisco & Meraki Devices, VMware, Visual Studio Code

Programming/Cloud: Python, Java, SQL, GCP

Technologies/Frameworks: GitHub, Pandas, OpenCV

Soft Skills: Problem-solving, Communication, Team-player, Adaptability

ADDITIONAL INFORMATION

- Languages:** English, Telugu, Tamil, Japanese.
- Certifications:** Associate Cloud Engineer (Google), Prompt Engineering (Great Learning), Python (HackerRank).
- Awards/Activities:** Creative Art of the Year (2023).
